

# BOONE COUNTY

## SUSTAINABLE ENERGY SUCCESS

ComEd works closely with its economic development allies to leverage our top-performing electric reliability, the competitive Illinois energy market, and our business-focused energy efficiency program to help power innovation and create jobs.

Since 2008, over **520** Boone County businesses have participated in the ComEd<sup>®</sup> Energy Efficiency Program, earning over **\$7.3 million** in total business incentives. These businesses have saved over **95,250,000 kWh** on their annual electric bills.

### GREENHOUSE GAS EMISSIONS EQUIVALENT

Boone County businesses' cumulative energy savings provides an annual reduction in carbon dioxide emissions equivalent to:

**11,020 homes**  
powered for  
one year or

**65,870 acres**  
of U.S. forests  
in one year or

**10,955 cars**  
removed from the  
road for one year

The ComEd Energy Efficiency Program offers incentives, technical services and whole-building solutions to help businesses use energy more efficiently. For more information, visit [ComEd.com/BizIncentives](https://www.comed.com/BizIncentives), call **855-433-2700** during normal business hours to speak with a representative or email us at [BusinessEE@ComEd.com](mailto:BusinessEE@ComEd.com).

### SOLAR ENERGY

Solar energy has started generating significant interest across northern Illinois. Boone County businesses interconnected **148** new solar systems to our grid, resulting in **1,243 kW** of new generation capacity. To learn more about our Solar Energy offering visit [ComEd.com/Solar](https://www.comed.com/Solar).
